**ARE YOU PREPARED TO TAKE THE COMPASS PLACEMENT TEST?**  
Preparing for the COMPASS Placement test can make a difference in the following:

- ❖ **How many English and mathematics classes you will take**
- ❖ **How much TIME and MONEY it will take to earn your degree**
- ❖ **How soon you will be able to take classes in your major field of study**

**MATH SKILLS BRUSH-UP**

Are you unsure of your math skills? Has it been more than a year since your last mathematics class? The *Math Brush-Up Workshop* is web-based, allowing you to access the program from any computer on the Internet. Computers are also available in the Holomua Center on KCC’s campus. Once logged on, you will have access to the program for six weeks. These workshops also help with test-taking strategies, provide sample test questions, and give the chance to become familiar with the math portion of the COMPASS placement test. Sign up for one of the following orientation days.
