

Kapi`olani Community College Service-Learning Courses - Fall 2008

Mahalo for your interest in service-learning! This is our service-learning course matrix, which indicates which courses and instructors are offering the service-learning option in their class for Fall, and under which "pathways", or social-issue based tracks. For a copy of the course syllabus, or for more info on the course, please contact the instructor directly.

For more info on the service-learning projects in our pathways, or more about the s-l program, you can visit our website:
