<p>The issuance of an Academic Subject Certificate requires that the student must earn a grade of “C” or higher for all courses required in the certificate. Students placed above the 101 (or the corresponding newer 3-credit course emphasizing oral proficiency) level in Chinese, Filipino, French, Japanese, Korean, or Spanish at Kapi’olani Community College can receive, at no additional cost, credits for the courses from which they are exempted upon completing the next course in the sequence with a grade of C or higher. Those placed above the 202 level, including native speakers of the languages, can receive credit for the full course sequence provided they complete, with a “C” or higher, any course in any field (e.g., history, literature, culture, language, Hawaiian studies, anthropology, education, or musicology) in which they make significant use of the language. The judgment as to “significant use” is normally made by the instructor of the course the student has taken.</p> <p>NOTE: A maximum of 8 back credits can be applied towards the International Studies Academic Subject Certificate. Students should also refer to the “College Policies and Regulations” in the course catalog for details on the back credit policy.</p>
